Old Business

- May meeting minutes approved as posted

New Business

- **Reimbursement to members who withdraw from tournaments**
 - The Executive board is not responsible for reimbursement if a member withdraws from a tournament and is replaced by another member. Reimbursements should be handled between the member who withdrew and the member who is replacing that member.

➤ **Parking at Show Place Arena**

- Several members received “warning” tickets who traveled overnight to Cincinnati for being parked on Park property after hours of operation. A complaint/request was submitted to the Park Police. Clarification as to why some vehicles were ticketed and others weren’t is because officer received a 911 call and wasn’t able to ticket everyone! Also an inquiry: Is a new policy since we had parked there before without a problem. Can a request be made how permission can be obtained for the future. Reply was received on July 6, 2026 that the complaint has been assigned for investigation. Status will be provided when information received from Park Police, after coordination with Show Place Arena.

➤ **SBCL Summer League - Gerri**

- Our 2026 Summer league had Six (6) teams with a mix of SBCL members and nonmembers. Hopefully the league will expand next summer. It’s a fun league with mystery and card games. An audit was conducted on July 6, 2026. We learned some changes needed to be instated for next season. These changes will be addressed at our league meeting prior to the beginning of the league Summer 2027.
